Dining Chair

Fine is a traditional chair in the best sense of the word. Its visual harmony is achieved by technical solutions invisible to the eye. The chair is delicate and subtle in form, while also being surprisingly firm. The design is an interplay between its minimalist and subtle lines and stable physical characteristics. It is intended for frequent use in public spaces, such as restaurants, bars and hotels, but it is also perfect for private interiors. There is a possibility of the seat upholstery for additional comfort.
